

Important Update for our Families

As we continue to navigate the evolving situation with COVID-19 and follow federal guidelines, we feel it is the best interest of our patients, team, and community to close our office effective immediately.

We will be closed starting Wednesday, March 18th, 2020, and plan to reopen Monday, April 6th, 2020. We will continue to monitor the situation and adjust this timeline as needed.

During this closure, we ask that everyone be patient with our staff as we work through devising a plan to keep all patients on track with treatment. Please allow us the opportunity to reach out to you within the next few weeks to reschedule pending appointments.

We will be monitoring our phones throughout this time. As always, we can be reached at 630-584-9666 if your child requires any emergent orthodontic assistance to make them comfortable until we can return to business as usual.

Thank you for your understanding and your patience during this time.
